

Karen Hagen

I am deeply blessed to serve as pastor with the abundantly gracious folk of Tippecanoe Faithing Community (PCUSA) in the Bay View area of Milwaukee. Tippe is home to Living Waters Contemplative Life Center, Divine Intervention Ministry to the Homeless, Tippecanoe just.good.food Gardens/ Food Justice Site PCUSA, Arts and Science Literacy Camp for Kids. With 20 years of Family Systems study and practice alongside 30 years of professional development in the healing arts including certifications in spiritual direction, reiki, reflexology, and body/mind/spirit practices, I am humbled to come alongside individuals and groups companioning them on their journeys to abundant life. I bring experienced care to each person and group with whom I am honored to work.
