

Wisconsin Faith Voices for Justice Land Acknowledgement Statement

Wisconsin Faith Voices for Justice is based in Madison, but we are a statewide organization. As people of faith committed to justice for all peoples, we acknowledge that we are situated on the Indigenous lands of the Menominee, Ojibwe (Chippewa), Ho-Chunk (Winnebago), Potawatomie, Sauk and Meskwaki, Kickapoo, and other nations who cherished this place. ***(Discover whose land you are living on [here](#). We make this acknowledgement to honor the history, culture, traditions, and rich legacy of the Native peoples who have lived here and continue to live here and contribute to our society. We further make this acknowledgement as one small piece of ongoing efforts to end the erasure of their contributions and of the true history of how the United States was formed.

We will continue to lift Native American rights and issues in our work and to reach out in allyship with the Indigenous Nations in Wisconsin.
