FAITH LEADERS BUILDING COMMUNITY WORKING GROUPS SIGN-UP

In the wake of Wisconsin Faith Voices for Justice's "Faith Leaders Statement and Proposed Proclamation Against Hate" (wisconsinfaithvoicesforjustice.weebly.com/voices-for-justice-blog/faith-leaders-statement-against-hate), WFVJ convened a group of people of faith to build an interfaith movement against hate in Dane County and around our state. The goal is to foster trust, build relationships, and create a strong interfaith community to support and assist each other in the times ahead. We are calling this movement Faith Leaders Building Community, Standing Together. From that initial meeting these first 6 ideas for actions were brought forth; the 7th is from our Social Action Committee:

• Establish an "ANTI-HATE REGISTRY" to counter proposals from the new Administration to create a Muslim registry; and to advocate for policies that promote inclusion and diversity

 Provide information, trainings, and support for **SANCTUARY** Congregations

 Create Forward Together Wisconsin – A Moral Movement, which will plan a series of rallies and other **PUBLIC ACTIONS** at the state capitol, similar to North Carolina's Moral Mondays Movement.
